

IMPORTANT: This vaccine is only approved for people 12 years of age and older.

Patient Registration Process:

All eligible patients must register for an account on our patient portal in order to schedule an appointment for the vaccine. Please complete the following steps to register for an account as soon as possible to avoid delays in scheduling your appointment.

Step 1: Visit <https://portal.mkpeds.com>

Step 2: Click “Let’s get started” on the right side of the login page

Step 3: Enter your email address and a secure (but memorable) password for your new account. Select “Continue” when finished.

Please note that you can only create one account per email and each person must create THEIR OWN account.
